YOUR PRESCRIPTION

		RIGHT					LEFT		
		SPHERE	CYLINDER	AXIS			SPHERE	CYLINDER	AXIS
DISTANCE					DISTANCE				
NEAR					NEAR				
ADD					ADD				

PLEASE INCLUDE A COPY OF YOUR PRESCRIPTION IF POSSIBLE

PD

(pupillary distance - the measurement between your pupil centres)
 If the glasses sent have your old prescription lenses in we can duplicate the measurement from them, please advise if they are currently your own or not (does not apply if the frame is brand new)

(Average is 63mm - male & 61mm - female)

If you have your own PD measurement please supply it here

PD =		mm
------	--	----
